### Chapter 1 by MaskedInterface

Hello, If you are reading this, then that means I have taken me or I am already dead.

My name is Melanie Drake and that's all I can tell you because if this letter falls into the wrong hands, it wouldn't take them a second to track me.

I have gone into hiding from these people.

If you are reading this, oh reader, then that means you are also in the same situation as I am. We are both 'Laryas' and have magical abilities.

Here is the latest of my reports and that's all I can provide you with, unless I am still alive then there are other reports that await you:

that is a better option than bein gin the hands of them. His associates just told me about this place and I have no choice but to be here. My mother, I don't even want to speak of that vile woman. She made sure they insert the chip in me before they set me free.

I have to make sure to sharpen my knives and make sure to take the new pack of bullets that arrived with me to my next location....
